While Delhi BJP chief Anshu K Gupta claimed unaccounted funds of ₹26,000 crore in the water utility, the AAP hit back saying the allegation was completely "begun and finished". The BJP demanded a two-day-long special session of the Delhi assembly to discuss the issue. Addressing a press conference on Thursday, Gupta said, "₹26,000 crore was transferred from Delhi government's account to DJB's accounts in last five years, but the government is not ready to give any account for this amount." South corp to cap food carts at 5 per ward, issue licences

MM BUREAU
New Delhi January 22
The BJP-ruled South Delhi Municipal Corporation (SDMC) on Thursday proposed to permit permanent increase in five smart food carts, including food trucks, vans, e-carts in each municipal ward in its jurisdiction, officials said. The opposition AAP criticised the move, saying the scheme will lead to chaos on roads. The SDMC House passed the proposal on Thursday, with the officials saying that a policy will be drafted to fix the licence fee and lay down other guidelines. "Keeping in view the revenue of the corporation as well as employment avenues in 284 wards in the jurisdiction of SDMC, it is proposed that a house permit for selling and serving food items through e-food cart, food truck and bus as well as having new restaurants ideas of these types such as canteen, train, double-decked bus be issued... kinds of corporations and other institutions lying vacant can be put to good use," the proposal passed by SDMC read. It was moved by BJP councillor from Malviya Nagar, Navdeep Sharma. Sharma said the initiative is at a "nascent stage" and its modalities are yet to be worked out. "It will be a good source of income to the corporation," she added, speaking at the conclusion of

an assembly, a senior SDMC official said applicants will have to produce a no-objection certificate (NOC) from the traffic department at the time of application to ensure that the sort of food track will not hinder traffic movement in the area. "We will take all necessary steps to keep the application process hassle-free. While issuing licences we will also make sure that such activities do not become a traffic nuisance. The city body's licensing department will be the only authority to issue the permit," the official said. Narendra Chawla, leader of the House in SDMC, said the scheme is aimed at providing self-employment among people and that the corporation will "organise" such activities that are running illegally. "Such food carts are a-ford carts are already operating illegally in many areas of the city. They do not have any kind of permit and hence create chaos on roads. Under this scheme, we aim to resolve this problem and legalise and organise such food joints."
